#### OLD BUSINESS

- A OTHER
- No report

#### NEW BUSINESS

- A DECEMBER 4 SCHOOL IMPROVEMENT TEAM
- This team is looking for two volunteer parents to meet with students (8), teachers (2) and me from 7:30 to 11:00 on Friday, December 4. If you are interested, please contact me. Parents will be accepted on a first-come, first-served basis.
- B DECEMBER 9 DPI GRADUATION SUMMIT
- We are looking to take students, parents, administrators and Board members to this DPI event. It is an all day conference. If interested, please contact me.
- C WKCE DAYS
- November 10- Students, parents and teachers are all reporting a positive experience.
  - November 11- Again, students, parents and teachers are all reporting a positive experience.
  - Feedback from all involved is being gathered.
- D PLUS/DELTA INPUT FOR FALL SPORTS
- I let parents know that if you receive a plus/delta for a sport, we're looking for your perceptions on the season with or without input from your child, that's your choice. We do not know what we do not know, it is imperative that we receive feedback to be able to have data to make decisions with. Please complete and return the survey if you ever receive one. Thank you.
- E WORD ON THE STREET
- The website calendar again came up again as an issue. Parents were reporting that the times were wrong for events on the calendar. After further review, it is necessary parents choose the specific calendar for the event they wish to see. For example, on the default "all", you will see the facility use requests for a room like the commons (maybe 6:30 to 9:00), and from the football calendar you will see the awards event in the commons (7:00 to 9:00). The correct time for the event is under the FOOTBALL calendar.
  - A confidentiality concern regarding student aides in the office was discussed and will be reviewed.
  - A concern was expressed about the quantity of students in the office at times.
- F OTHER
- It was requested by the parents present that coaches hold a parent meeting prior to the season as a meet and greet and explanation of expectations, and review of rules and regulations.
  - The parents present thought that a forensics night where parents watch presentations was a good idea. This would also give grade 8 students when invited a chance to see what forensics is all about.
