

I'd like to take a moment to introduce myself and welcome you to Ozaukee High School. On a daily basis I continue to be impressed with the accomplishments of our students and staff. I am consistently amazed at the high level commitment of our staff demonstrates in creating a positive school environment where all students feel welcome. Our students and staff display time and again that Ozaukee High School is a great place to be!

The high school years are crucial to the development of your teen. The knowledge and skills they acquire during this time will greatly impact their lives. Academically, athletically, artistically, and socially, Ozaukee High School provides your child many opportunities to grow, have fun and achieve as they follow their pathway to a successful future. We also believe parents play a valuable role in this development and are invited to join me at Principal Advisory Group meetings which occur quarterly throughout the school year. These meetings are invaluable in getting your input and ideas about how to improve your student's high school experience.

At Ozaukee High School, students can expect small class sizes and a great deal of individual attention. Our schools have embraced using technology in a 1:1 format. Ozaukee High School has also received an "Exceeds Expectations" grade on the State Report Card and offers numerous Advanced Placement classes, CAPP, Transcribed and Career and Technical Education courses as well as several online course opportunities. Summarily, OHS offers a variety of learning opportunities that can be tailored to your student's learning style.

One of the greatest strengths about Ozaukee High School is students can take advantage of a variety of academic, co-curricular and extra-curricular opportunities in a supportive family atmosphere. It is our belief that these activities are an extension of the classroom and provide valuable life lessons and learning for our students. These activities also build positive leaders and allow students to get involved on a deeper level in their high school community and meet new people.

Regardless of their interests, students who attend Ozaukee High School are afforded the opportunity to develop the skills necessary to be successful wherever their dreams may lie. As our vision states, we work with students to "pursue excellence at all levels". It is our belief that working with parents and community members in partnership we can assist our students as they pursue their goals. Please see for yourself why Ozaukee High School is a leader in preparing every student to be career and college ready and is a great place to learn and grow. Should you have any questions please feel free to contact me at (262) 692-2453.

Go Warriors!
