

Welcome to Ozaukee Elementary School!

Dear Parents/Guardians,

On behalf of the Ozaukee Elementary School staff, I would like to welcome you and your child to a fantastic new school year in 2018-19! My name is Mrs. Lynn Kucharski and I am the principal at OES. I have enjoyed being a part of elementary education, as both educator and administrator, for over 25 years. I am look forward to welcoming back families and meeting families new to Ozaukee Elementary School.

We want to emphasize that at OES we view our school as a learning community. Parents and guardians are the first and most important teachers of their children. We offer many opportunities throughout the year to strengthen that partnership with you. Your support in making learning a high priority is crucial to your child's success.

We know that all children are capable of success. However, not all children learn in the same way. Therefore, it is important to take a personalized approach to learning. At Ozaukee Elementary School, we monitor student success in reading, writing, and math and then use that data to meet their learning needs. We also work with students every day in making good choices. Each month, we focus on positive character traits (ex. Respect, Responsibility, Kindness, Perseverance, etc.).

As the year progresses, please do not hesitate to contact us at school if you have questions or concerns. We are available to discuss and help resolve any problems that may come up during the school year. I can be reached at 262-692-2401 x201, or Mrs. Ringwell, our School Secretary can be reached at 262-692-2401 x200.

The mission of the Northern Ozaukee School District is to educate young men and women to develop strong character and prepare them for the future.

Your child's successful educational experience is our top priority.

Sincerely,

Principal Lynn Kucharski

Ozaukee Elementary School
